

Position Title/Rank: Assoc/Full Professor

Division: [Faculty of Dentistry](#)

Department: Dentistry

Deadline: February 15, 2008 or until filled

Job Description: The Faculty of Dentistry, University of Toronto invites applications for a full-time tenure-stream/tenured position in Dental Public Health within the multidisciplinary Division of Diagnostic and Biological Sciences. The appointment will be at the rank of Associate or Full Professor, and will begin on July 1, 2008.

The Discipline of Dental Public Health includes undergraduate, graduate and specialty training elements. It will be closely allied with the proposed new School of Public Health at the University of Toronto. A primary responsibility of the candidate will be to develop an independent research program to complement existing research at the Faculty of Dentistry and in collaboration with related departments in the University.

Other responsibilities will include acting as Director of the Specialty Program in Dental Public Health, and involvement in undergraduate teaching and continuing education.

Requirements: (i) an advanced research degree, preferably a Ph.D. (or equivalent), and a record of high-quality research as a principal investigator in Public Health Dentistry (ii) experience in curriculum development for teaching Dental Public Health (iii) expertise in the practice of Public Health Dentistry; and (iv) eligible for certification as a specialist in Dental Public Health in Ontario. Salary and rank will be commensurate with the candidate's qualifications and experience.

Applicants should submit a detailed curriculum vitae and the names and contact information of three references to: Dr. Grace Bradley, Associate Dean, Department of Diagnostic and Biological Sciences, Faculty of Dentistry, University of Toronto, 124 Edward St., Toronto Ontario M5G 1G6. Tel: 416-979-4900, Ext. 4416. E-mail: grace.bradley@dentistry.utoronto.ca. A response by

February 15, 2008 will be appreciated, however, applications may continue to be considered until the position is filled.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups and others who may add to the diversity of ideas.

All qualified candidates will be encouraged to apply; however, Canadian and permanent residents will be given priority.
